November 2020

Dear Parents/Guardians

QUANTUM THEATRE "A CHRISTMAS CAROL", TUESDAY 15 DECEMBER 2020

The English Department has invited the Quantum Theatre Group to give a performance of 'A Christmas Carol' for our Year 7 students to support their study of this classic text. This will be an enriching opportunity for students to understand the literature of Charles Dickens and enjoy a unique telling of the story they are studying this term.

Quantum is an educational theatre group which has been touring curriculum-based plays for 25 years. They specialise in adaptations of classic literature which are appropriate for school age children. Students will watch the performance with their year group bubble and social distancing between students and actors will be respected.

The performance will take place during period 5 on Tuesday 15 December in the school hall. Parents and guardians are invited to make a payment of £5.75 to cover the cost of the performance. We do not wish to exclude any student from the performance. However, without this financial support from parents, the performance may have to be cancelled. If you are concerned about the cost, please contact us and we can direct you to agencies that might be able to support you. Payment should be made through your ParentPay account by Friday 27 November.

If you require any further information, please do not hesitate to contact me at school.

Yours sincerely

Helen Jauregui
Teacher – Second in English
