July 2019

Dear Parent/Carer

Over the past couple of weeks with the weather becoming warmer, I have noticed an increase in the number of students coming to the office to use the emergency inhaler or their own inhaler that is held in the office. I am concerned that there have been a high number of students that are asthmatic and are not carrying their Inhalers.

It is important that students have their inhalers on them at all times, especially during Games lessons when outside.

With Sports Day and the Waddesdon Walk coming up it is important for the students to carry their inhalers with them. If your child is asthmatic and does not have their Inhaler with them, they will not be able to participate in the event.

Kind regards,

Caroline Hicks  
Medical Officer
