October 2020

Dear Parents

## YEAR 12 FINANCIAL STUDIES TEXTBOOK

As you know, your son/daughter has chosen to study the London Institute of Banking and Finance Certificate in Financial Studies. This course is one that we believe to be an excellent preparation for students as they become more independent and need to be able to make informed decisions, whilst also gaining a valuable qualification to help them pursue their chosen path beyond Sixth Form.

All students studying the course will receive access to learning materials via the London Institute of Banking and Finance website, as well as exam entry (including a resit) and copies of the LIBF Unit 1 and Unit 2 textbooks. Consequently, this course comes at a substantially greater financial cost to the school than most Year 12 subjects and in order for the course to be viable we are requesting a contribution of **£15.00** towards the cost of the course textbooks. This is significantly less than the course books for many A Level subjects and the books will be a helpful source of reference for students beyond their studies at Waddesdon.

To reserve the course textbooks, please make payment through your ParentPay account **by Wednesday 14 October**. If you have any queries about ParentPay, please contact Mrs Cooper in the finance office at [lcooper1@waddesdonschool.com](mailto:lcooper1@waddesdonschool.com)

For further information regarding the course or textbooks, please do not hesitate to contact me.

Yours faithfully

Paul Tilley  
Subject Leader  
Business, Economics and Finance
