September 2021

The Earth without ART is just ‘eh’

Art isn't just a subject: it is a way of being, seeing and feeling. Art enlivens, illuminates and questions. We are looking to appoint an enthusiastic, knowledgeable and ambitious Subject Leader of Art from September 2021. The role will include inspiring and leading an outstanding team of specialists in order to enable our students and staff to thrive personally and academically through Art.

This is a superb opportunity to join a happy and hard-working team whose enthusiasm and expertise enable our students to flourish in Art & Design, Art Graphics and Photography. This very successful and forward-thinking department is extremely well resourced, offering a broad mix of traditional and new media. Take-up numbers are high at GCSE and in the Sixth Form and it is very successful at placing students in Higher Education.

You will enjoy many opportunities to engage with co-curricular projects, such as leading visits, deepening understanding through engagement with contemporary artists, and working collaboratively with outside practitioners. You will also bring your uniqueness to the team and your passion for excellence and innovation.
