# Core values and principles

We believe that the purpose of education is to enable all people to flourish individually and collectively so that they live a life of value. As a community, we strive to achieve these aims, believing genuinely and unequivocally in the capacity and potential of every child.

Our ethos is rooted and grounded in the Christian values of love, compassion, kindness and inclusion which foster dignity and respect for all. Students tell us that they feel safe at Waddesdon School. Self-confidence, self-belief and agency are nurtured through praise, encouragement, acknowledgement of success and celebration of achievement.

Our vibrant and positive culture enables our students to fulfil their potential as self-disciplined, responsible and productive citizens who are proud to claim that they are a part of the Waddesdon tradition, the 'Waddesdon Way'.

Standards and expectations are high and learning is developed through a broad range of engaging and rich educational opportunities. We are a dedicated and motivated community which enables our students to work hard and achieve highly. However, our school cannot simply be measured by our outstanding outcomes alone; it is also measured by the development and character of our young people.

*"I have come that they may have life, and have it to the full."*

*John 10:10*

## **Student Prayer**

Heavenly Father,  
As our days at Waddesdon begin,  
Guide us when we are young  
And find us when we are lost.

Support us through exam pressures  
And help us make the right decisions.  
Smile with us when we achieve  
And comfort us when we don't.

Motivate us to fulfil our dreams,  
And encourage us to succeed.  
Help us to respect others  
But also to respect ourselves.

And when our days here at Waddesdon end,  
Give us the strength to say goodbye.  
Help us to learn to live  
And to live to learn.

Amen

In the event that you are unable to see one of your son/daughter's teachers by the end of either of the sessions (5.15pm or 7.30pm) and, as a way to avoid sitting in a long queue, we would ask that you write your son/daughter's name and the teacher you wish to see on the sheet on the table at the front entrance and they will contact you.

A bell will ring at 5.00pm and 7.15pm to make both parents and staff aware that only 15 minutes remain of the respective sessions.

## REPORTS

Three reports will be issued over the course of the academic year.

Key features of the report:

- Clear identification of progress in all key stages and targets for each subject
- Use of colour coding system to allow at-a-glance evaluation of students' progress towards their targets
- Inclusion of 'working-at' grades or Levels at two points in the year to identify current attainment
- Use of Attitude to Learning score to monitor students' overall approach to their studies
- Written comments from Form Tutor to provide personal insight into each student's learning
- Yearly comment from a member of the School Leadership Team or the Head of Year (Years 11 and 13)

*(Parents who require duplicate information regarding their son/daughter's progress to be sent to a second address should notify the school in writing)*

## **STUDENT WELFARE**

Mr Sturla leads the team dealing with student welfare. On admission to the school in Year 7, students are divided into tutor groups. We try to ensure that the same Form Tutor remains with the group from Year 7 to Year 11. Form Tutors are responsible for the welfare and well-being of the students in their tutor group.

The pastoral system is organised into 'Years'. Mrs Allen is responsible for Year 7 and she liaises with our feeder primary schools. Mr Maciejewski is Head of Year 8, Mrs Clark is Head of Year 9, Miss Turner is Head of Year 10, Mr Dipple is Head of Year 11, and other than Mrs Allen the Heads of Year progress with their year group through the school to Year 11. Miss McIver (Assistant Headteacher) is Head of the Sixth Form, Mrs McKenzie-Boyle is Head of Year 12 and Miss Aldridge is Head of Year 13.

Parents are reminded that if they have any concerns about any aspects of their son/daughter's education at Waddesdon, they are encouraged to contact the school to discuss them. Depending upon the severity or confidentiality of the issue, parents might speak to the Form Tutor, Head of Year, Mr Sturla (Assistant Head, Pastoral), Miss McIver (Assistant Head, Sixth Form) Mr Jones (Deputy Head) or Mr Abbott (Headteacher). Parents are asked to make an appointment before visiting the school.

It is important that the school is kept informed of specific health conditions and/or the need for regular medication. There can be times when the process of adolescence is worrying and painful for students, parents and families. Support is available in the community and information about such organisations can be obtained from the school. Naturally, the school will do all it can to help in such circumstances.

The school has access to a trained school counsellor, who offers a confidential service to students. For further details, please contact Mr Sturla. The school also has a designated Careers Adviser who has access to a number of different agencies who can support students with pastoral issues.

## **SPECIAL EDUCATIONAL NEEDS REGISTER**

Many students experience problems at some stage during their education. This may vary from an extended period of absence due to illness, to a specific learning difficulty. Those with SEN are initially identified through conversations with parents, information received from previous schools and the assessment of all students in their first term at the school. Placing a child on the register allows appropriate help or interventions to be sought.

The school maintains a register of those with SEN. Students on the SEN register will have a 'student plan' outlining the difficulties experienced by the individual and setting specific learning related targets. The 'plan' is child centred and as such is developed through open communication with the student.

The Enrichment Department is staffed by teachers, a higher level teaching assistant for literacy and learning support assistants who run a variety of programmes aimed at supporting individual and group needs.

## ENTITLEMENT TO FREE SCHOOL MEALS

The school is able to provide a midday meal free of charge to any student whose **parents** are in receipt of:

### **Income Support (IS)**

### **Income-based (not contribution-based) Job Seeker's Allowance (IBJSA)**

The guaranteed element of the **State Pension Credit**.

### **Income-related employment and support allowance**

### **Support under Part VI of the Immigration and Asylum Act 1999**

*Children who receive IS or IBJSA in their own right are also entitled to receive free school meals.*

### **Universal Credit** with an annual net earned income of no more than £7,400

**Child Tax Credit** except if you meet ANY of the following criteria:

- i) entitled to working tax credit (regardless of income)*
- ii) have an annual income in excess of £16,190 (as at April 2019)*

*Where a parent is entitled to Working Tax Credit during the four-week period immediately after their employment ceases, or after they start to work less than 16 hours per week, their children are entitled to free school meals.*

**No other benefits are relevant for a claim.**

If you would like to apply, please email [office@waddesdonschool.com](mailto:office@waddesdonschool.com) marked for the attention of Mrs Hammond. All applications will be strictly confidential.

## NORMAL LUNCHTIME AND BREAKTIME ARRANGEMENTS

The school's in-house catering brigade serve a range of Breakfast, Lunch, Street Food and snack options to students. The Restaurant is open for breakfast from 7:45 a.m. until registration, serving a daily variety of porridge, savoury and sweet breakfast items, healthier choice options, fruit pots and smoothies. Lunch is served daily at 11:05 a.m. until 11:45 a.m. where students are encouraged to enjoy a healthy balanced, nutritious and tasty hot main meal including vegetarian and/or vegan options (for £2.60) with a dessert of the day available (70p). Alternatively students can purchase daily street food options, baguettes, sandwiches (ranging from £1.90 - £2.60), snacks, fruit and drinks. A daily range of savoury and sweet healthy options will be available for purchase at second break (1:50 p.m. until 2:10 p.m.)

The school operates a cashless catering system via ParentPay, operated in the restaurant by biometric thumb print or our new Waddesdon Restaurant Payment Card. Termly menus and allergen information are available on the school website.

Packed lunches may only be eaten in designated areas of the school; students will be informed in assembly.

Students must not eat or drink in classrooms, corridors or the library and under no circumstances in the science lab areas.

Energy drinks are not allowed in school.

## ATTENDANCE

By law, all children of compulsory school age (5 to 16) must receive full-time education. Along with this is the legal responsibility for making sure that children attend regularly. If they do not, parents will be contacted by the school and may even be contacted by the Local Authority via the County Attendance Team.

Schools are open for 195 days per year, leaving 170 other days for leisure time. If a child is absent for an average of one day per week they will miss TWO YEARS of education between Reception and Year 11. If a student misses an average of one HALF day per week in their secondary education, they are likely to achieve a full grade lower in their GCSEs than other students.

### FAMILY HOLIDAYS AND EXTENDED TRIPS DURING TERM TIME

There is **no** automatic entitlement in law to time off in school time to go on holiday.

Taking holidays in term time will affect a child's schooling as much as any other absence and we expect parents to help us by not taking children away in school time. Leave of absence may not be granted unless there are **exceptional circumstances**, in which case the Headteacher determines the number of school days that a child may be away from school.

If holiday leave is taken without the school's prior approval, this may be viewed as undermining the good order and discipline of the school and could be referred to the County Attendance Team.

Parents should remember that any savings they think they may make by taking a holiday in school time are offset by the cost to their child's education and their future earning potential.

Guidance states that schools may agree "holiday leave" in two exceptional circumstances, namely:

1. For service personnel and other employees who are prevented from taking holidays outside term-time if the holiday will have minimal disruption to the pupil's education.
2. When a family needs to spend time together to support each other during or after a crisis (or a CLOSE family wedding).

Holidays taken for the following reasons are not authorised:

- Availability of cheap flights
- Availability of the desired accommodation
- Poor weather experienced in school holiday periods
- Overlap with beginning or end of term.

The school is also experiencing an increasing number of requests for "odd" days off. These, unless in exceptional circumstances similar to those above, will also be unauthorised.

It is our wish that parents have complete clarity in understanding our situation and the reasons for refusing the majority of the requests that we receive.

Please note that Governors expect parents to value their child's education and to support school policy unequivocally and, therefore, to avoid taking their child out of school for all but absolutely essential reasons.

A copy of the full Attendance Policy is available to view on the school's website: [www.waddesdonschool.com](http://www.waddesdonschool.com). Alternatively, a hard copy can be provided on request to the school.

## **SCHOOL ATTENDANCE AND THE LAW**

By law (Education Act 1996) parents are responsible for making sure that children of compulsory school age (5 to 16 years) receive a suitable full-time education. Failure to attend school on a regular full-time basis may result in legal action being taken against parents.

At Waddesdon School we give good attendance and punctuality a high priority and students registered with us are required to attend school regularly, be punctual at all times and attend lessons. To ensure the maximum possible attendance and punctuality of every student we will:

- Identify promptly patterns of non-attendance and inform parents immediately of any unauthorised absence
- Reduce truancy by working in close partnership with the Education Welfare Service, Police and Police Community Support Officers, to identify areas where students are known to truant and operate truancy sweeps to return these students to school
- Recognise the external factors which impact on student attendance, and work in partnership with parents and the Education Welfare Service to address difficulties.

We hope that you will support our efforts to improve the achievement and learning of your child by:

- Ensuring that the school is notified of any absence by email:  
[absence@waddesdonschool.com](mailto:absence@waddesdonschool.com)
- Informing the school immediately if your child is unwell or unable to attend for any reason
- Encouraging your child to arrive on time and prepared for learning
- Supporting the use of school detentions as a punishment for truancy and lateness, by ensuring your child attends.

If you have any concerns regarding your child's current attendance and are aware of circumstances that may be impacting on their attendance, please contact Mr Sturla at school to discuss the issues.

## **COUNTY ATTENDANCE TEAM**

In the event of persistent non-attendance, the school works closely with the County Attendance Team to remove any barriers which may be preventing a student from fully accessing the education to which he/she is entitled.

As required in the amendments to the 2007 Regulations, the Education Welfare Service can issue Penalty Notices for any unauthorised absence. Penalty notices can be issued to each parent/carer concerned and for each child's absence. These notices will require parents to pay a set fine within a given number of days. If unauthorised leave is repeated, the County Attendance Team may summons each parent to court.

## SAFEGUARDING AND CHILD PROTECTION POLICY

Governors have agreed a Child Protection Policy which is modelled on that provided by Buckinghamshire Local Authority. A full copy of the policy is available on request or can be found on the school website: [www.waddesdonschool.com](http://www.waddesdonschool.com)

The policy aims to support the development of children in ways that will foster security, confidence and resilience. It aims to provide an environment in which children and young people feel safe and secure, valued and respected and also feel confident and know how to approach adults if they are in difficulties. The policy aims to raise the awareness of all staff about the need to safeguard children and it emphasises their responsibility for identifying and reporting possible cases of abuse. The school has in place a systematic means of monitoring children known or thought to be at risk of harm and this involves engaging with other agencies responsible for safeguarding children as well.

The designated members of the Leadership Team with responsibility for child protection are Mr Sturla, with Miss McIver and Mrs Branton. The named governor appointed to monitor all child protection procedures and practices within school is Mr Stevens. These individuals receive regular briefing and training as do other staff and also governors.

Site users and visitors are expected to comply with the school's Child Protection Policy. The school's selection and recruitment policy involves checks on staff suitability, including DBS checks.

Waddesdon School has also put in place the following policies to support the management of child protection issues: Whistleblowing, Staff Code of Conduct (including physical restraint), Health and Safety, and procedures for handling any allegations against staff.

## BEHAVIOUR AND PRAISE POLICY

### 1. Aims

The behaviour policy aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour
- Outline **how students are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **sanctions** and **rewards/praise**

### 2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting student with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

### **3. Introduction and context**

We believe that the purpose of education is to enable all people to flourish individually and collectively so that they live a life of value.

Our ethos is rooted and grounded in the Christian values of love, compassion, kindness and inclusion which foster dignity and respect for all. Students tell us that they feel safe at Waddesdon School and robust systems are in place to ensure that safeguarding is exemplary. Self-confidence, self-belief and agency are nurtured through praise, encouragement, acknowledgement of success and celebration of achievement.

Our vibrant and positive culture enables our students to fulfil their potential as self-disciplined, responsible and productive citizens who are proud to claim that they are a part of the Waddesdon tradition, the 'Waddesdon Way'.

Standards and expectations are high and learning is developed through a broad range of engaging and rich educational opportunities. We are an ambitious and motivated learning community where students are encouraged to work hard and where they achieve highly.

### **4. Roles and responsibilities**

#### **4.1 The governing body**

The governing body is responsible for reviewing and approving the behaviour policy.

The governing body will also monitor the policy's effectiveness, holding the headteacher to account for its implementation.

#### **4.2 The headteacher**

The headteacher is responsible for reviewing and approving this behaviour policy in conjunction with the governing body.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure the principles are applied consistently.

#### **4.3 Staff**

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular student

#### **4.4 Parents**

Parents are expected to:

- Encourage a positive attitude to school and a high standard of behaviour, in accordance with school policy
- Inform the school of any changes in circumstances that may affect their child's behaviour

- Ensure your son/daughter attends school regularly and punctually, with appropriate clothing and equipment
- Have due regard for the Home-School Agreement, particularly concerning attendance and not taking holidays during term time
- Ensure that the school is notified of any absence by telephone and that this is confirmed in writing, when your son/daughter returns
- Ensure that suitable facilities are made available at home for your son/daughter to complete homework. Also, to monitor homework by signing the homework diary every week
- Attend consultation meetings, arranged by the school, to monitor student progress, attitude and behaviour

## 5. Expectations

Students are expected to:

- Work to fulfil their potential
- Complete and submit homework and other assignments on time
- Be polite and co-operative at all times
- Dress smartly and in accordance with the school's requirements
- Attend school punctually and regularly
- Treat all facilities and equipment carefully and with respect
- Move about the school in an orderly and quiet manner
- Treat fellow students with care, dignity and respect
- Not partake in any form of bullying (see **Anti-bullying Policy**)
- Conduct themselves with modesty and decorum. Close bodily contact between students is unacceptable i.e. the 'daylight rule'.
- Appreciate that the laws of the land apply in school which means that drugs, weapons and alcohol are strictly forbidden.
- Not bring chewing gum into school
- While we encourage students to leave their mobile phones at home, students may bring them to school, so long as they are switched off and in their bags before they enter the school site at the start of the day and remain there unless they are needed for an emergency and they have the express permission of a member of staff
- Students may switch on and use their mobile phones after Period 5 has finished and they have left the building in which their lesson during Period 5 took place
- While we encourage students to leave smart watches at home, students may bring them to school, so long as they are only used as a watch
- If students are caught using their smart watches to read or send messages we will confiscate them in line with our mobile phone policy, which includes a two-day period of confiscation for the first offence

**NB: It is the responsibility of parents and students to ensure mobile phones are properly insured. The school accepts no responsibility whatsoever for theft, loss or damage.**

### Classroom Expectations

Teachers are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages student to be engaged
- Develop a positive relationship with student, which may include:
  - Greeting student in the morning/at the start of lessons
  - Establishing clear routines
  - Communicating expectations of behaviour in ways other than verbally

- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

**In the classroom students will be expected to:**

- Enter the classroom as directed and in an orderly way
- Sit down, remove coats, place bags on floor, have relevant books and equipment to hand
- Be silent and facing the teacher, when he/she is speaking
- Understand that no teaching or learning can take place until these conditions have been met
- Accept responsibility for their own learning
- Leave the classroom in an orderly manner, as directed by their teacher
- Meet deadlines for the submission of work
- Be silent and listen when other students or staff are speaking
- Not chew or eat in class

**6. Authentic praise strategies used at Waddesdon to encourage motivation in students:**

To support both intrinsic and extrinsic motivation a range of authentic praise strategies are used including;

- Spoken praise from teacher to student
- Subject praise postcards home
- Waddesdon Points Award scheme
- Acknowledgement in class and/or assembly
- Class/year/team recognition via assemblies and Waddesdon Voice
- Awards at Prize Giving
- Contact with home e.g. letter, phone call, email
- Comments on reports
- Visit to senior member of staff for praise
- Additional privileges e.g. 'Sixth Form golden ticket'
- Praise events e.g. 'Progress' breakfasts for students with the most GOLDS on reports, Highest Atl scores, Challenge Award

**6.1 Use of Achievement Points**

**6.2 Waddesdon points** are issued by teachers to students when:

- Students have **made significant progress** in a subject over a period of time
- Students have **shown a considerable level of effort** over a series of lessons OR on a specific piece of work/project/event
- Students' behaviour and actions have **championed the 'Waddesdon Way'** e.g. as an ambassador for the school, supporting others, delivering an assembly

To ensure **Waddesdon points** are a true reflection of these standards, the points are only awarded when students demonstrate they have **done more than just meet the expectations** we have of a Waddesdon student.

In some departments systems exist to support the awarding of **Waddesdon points** over time e.g. 3 subject merits/stickers/ stamps = one **Waddesdon point**. Departments will share with students the process they choose to apply.

## 7. Sanctions for unacceptable behaviour

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- Spoken rebuke
- Loss of privilege or free time (lunchtime or after-school detention)
- Placement on report
- Letter home
- Discussion between parents, student and members of staff
- Period 6 (after school homework support sessions)
- Withdrawal from normal lessons
- Reprimand from a senior member of staff
- Attendance at school during holiday time
- Temporary or permanent exclusion (see exclusions policy)

## 8. Invoking Sanctions

Punishment is not unduly harsh. Whenever teaching staff use sanctions, they are designed to support the child and ensure that poor behaviour is not condoned. Teaching staff may use a number of sanctions (as listed above).

Teachers formally record if homework is not handed in. Regular failure to submit homework will result in the school contacting home, and where necessary use of Period 6 to support completion of homework.

After-school detention is used for serious problems or persistent offenders. If a student is to be placed in after-school detention, parents are notified, usually by telephone. Detentions are usually held between 3.30pm and 4.30pm.

Period 6 – After school homework sessions are run on Mondays, Wednesdays and Fridays until 4.30pm.

On some occasions a 'School Report' may be used, particularly if it is necessary to monitor a student's behaviour or quality of work. This procedure involves students being briefly assessed at the end of each lesson. Parents will be asked to review the resulting document each evening.

## 9. Serious breaches of the school's behaviour policy

Serious breaches of the school's behaviour policy, or where allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school, can lead to exclusion. Exclusion can be for a fixed number of days (up to a maximum of 45 school days in year). Sometimes, **exclusion can be permanent.** See Exclusions Policy and Appendix 1 for further details.

Government guidance gives the following behaviour as examples of where a decision to permanently exclude might be taken:

- Serious actual or threatened violence against another student or a member of staff
- Sexual abuse or assault
- Possessing, supplying or being under the influence of an illegal drug
- Possession, supplying or being under the influence of alcohol
- Carrying an offensive weapon
- Sharing of highly inappropriate, sexualized images ('sexting')

## 10. Complaints

Students who feel that they have not been properly treated should report their complaint to the appropriate person (form tutor, pastoral head, prefect, parent or other adult), if they are unable to resolve the complaint themselves. External agencies, e.g. the Education Welfare Service, Psychological Service, Health Service, Parent Partnership, Police, Social Services and Careers' Service can be helpful in further supporting students and parents, if this is required.

## 11. Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

For behaviour **outside** school, but not on school business, the Headteacher may discipline a student if there is a clear link between that behaviour and maintaining good behaviour and discipline among the student body as a whole.

## 12. Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

## 13. Confiscation

**Any prohibited items (listed in Appendix 2) found in student' possession will be confiscated.** These items will not be returned to the student.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to the student after discussion with senior leaders and parents, if appropriate.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

## 14. Power to search

School Staff have the legal power to search a student with consent as part of their authority to discipline but where a school has reasonable grounds for suspecting that a student has a knife or other weapon they have the power to search without consent.

At all times staff will follow the guidance provided by the Department for Education (DfE) in determining what constitutes reasonable suspicion, consent searching and without consent searching and the practical aspects of carrying out such searches.

A copy of the guidance, "Searching, screening and confiscation: January 2018" can be found on the DfE website by following the link:

## **15. Pupil support**

The school recognises its legal duty under the Equality Act 2010 to prevent student with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, the school counsellor, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

## **16. Links with other policies**

This behaviour policy is linked to the following policies:

- Exclusions policy
- Safeguarding policy
- Anti-bullying policy
- Authentic Praise policy

## **Additional details surrounding permanent exclusions**

### **Possession of a weapon**

It is a criminal act for students to bring a knife or other offensive weapon into school and such behaviour would normally result in permanent exclusion, even for a first or one off offence.

Although the law does not classify carrying a pen knife with a blade of less than three inches as carrying an offensive weapon, for the purposes of this policy Governors will regard a student carrying any knife, including a pen knife with a blade of less than three inches, as carrying an offensive weapon when deciding to take a decision to permanently exclude.

Parents will need to be aware that any student excluded for carrying a knife will be expected to attend a Weapon Awareness Training prior to attending alternative educational provision.

### **Drugs and Alcohol**

Waddesdon School takes very seriously its responsibilities to ensure the school is a safe and secure environment for all students and therefore takes a very strict line in relation to all offences relating to drugs and alcohol. Parents and students will need to be aware that the policy at Waddesdon School is that all cases involving the following will lead to permanent exclusion:

- dealing, i.e. the supply, exchange or receipt of drugs or alcohol, or
- the use of illegal drugs or consumption of alcohol, or
- possession of illegal drugs or alcohol, or
- the misuse of prescription drugs, non-prescription drugs or volatile substances

NB: Misuse includes smelling, sniffing and/or inhaling.

Volatile substances are those substances that emit a gas or vapour and include butane and propane, aerosol propellants, glues, solvents, petrol and 'poppers' e.g. amyl nitrate and can be inhaled. This includes e-cigarettes.

Drugs related incidents include illegal drugs and/or misuse of prescription, non-prescription drugs or volatile substances as outlined above. It should be noted that aerosol deodorants are not permitted in school and are covered by this rule. No drug or volatile substance should be brought onto the school premises without the school's knowledge and approval. This approval must be sought from the Headteacher or School Medical Officer (in the case of medication), and will only be given following a written request from a parent.

Students will need to be aware that volatile substance abuse (VSA), the deliberate sniffing/smelling/ inhalation of volatile substances such as lighter fuel, glue, aerosols or 'poppers' (e.g. amyl nitrate) is responsible for more deaths in young people aged 10-16 in England and Wales than illegal drugs.

Drugs and alcohol incidents will include being in possession of, consuming or making available the substances listed above to other students on site and also on the way to or from school or in other respects within the school's jurisdiction. The only exception to this will be in relation to alcohol where an exception may be made in cases where the student or students in questions is/are (a) over the age of 18 and (b) legally, reasonably and responsibly consuming alcohol on the way home from school.

The policy is intended to protect the students of the school from the dangers of an illicit drug or alcohol culture.

The school will provide and promote access to specialist advice for students with drug or alcohol problems and referral, where appropriate, to other agencies. The school, in co-operation with the WSA, will undertake to offer periodic drug and alcohol education sessions for parents.

Students, staff and parents have a duty to inform senior staff if they suspect that drugs or alcohol are present or are being used at school, or within the school's jurisdiction. Students and parents must realise that only limited confidentiality can be offered in discussions relating to the usage of substances which could be regarded as injurious to health or illegal.

Students taking, or under the influence of substances on school premises, will be given medical assistance, as appropriate. Staff have a duty to ensure the protection of other students and the fabric of the school. Where incidents occur, or where there is a reasonable suspicion of such incidents, the parents will be informed as soon as possible.

### **Sharing of highly inappropriate, sexualized images ('sexting')**

'Sexting' is the exchange of self-generated sexually explicit images or video clips, via social networking sites over the internet. When such material is shared with others without the consent of the subject, it causes extreme embarrassment, humiliation and distress and constitutes an extreme form of bullying. Once an image or video clip is on the internet, it can be freely copied by anybody. This could include people who have a sexual interest in children. The Child exploitation and Online Protection Agency (CEOP) report that thousands of 'self-taken' images are appearing on paedophile chat sites and forums.

Children who are 'sexting' may actually be committing criminal offences. The police advise (<http://www.westmercia.police.uk/internet-safety/sexting/>) that if a teenager were to have in their possession an indecent image of another minor, they would technically be in possession of an indecent image of a child, which is an offence under the Protection of Children Act 1978 and the

Criminal Justice Act 1988. In addition, CEOP advise that “It is illegal to take, possess or share ‘indecent images’ of anyone under 18 even if you're the person in the picture.” ([http://www.thinkuknow.co.uk/14\\_plus/Need-advice/Sex-and-the-law/](http://www.thinkuknow.co.uk/14_plus/Need-advice/Sex-and-the-law/)) If someone is prosecuted for these offences, they may be placed on the sex offenders’ register, potentially for some considerable time, in addition to receiving other very serious sanctions as part of our criminal justice system.

We take the safety and security of our students very seriously indeed and work with parents, the Police, child support agencies and our students themselves when incidents involving our students and sexting occur. We do not tolerate the sharing of such images and video clips. All cases where students share with others highly inappropriate sexualized images or video clips of students on roll at this school, causing distress and humiliation, will be considered as grounds for permanent exclusion from school, even for a first or a ‘one-off’ offence.

### **List of prohibited items**

In the interests of the health and safety of students, staff, other members of the school community and visitors to the school, the school asks parents and students to ensure that any inappropriate and dangerous items, or any inappropriate and harmful substances, are not brought in to school. In the majority of cases the application of common sense will easily determine what should not be brought in to school. The list below is not exhaustive but is intended as a guide. The specified items on the list, and any item that would fall into the first 3 categories, should not be brought in to school.

Sanctions under the Behaviour Policy may be applied to any student found in possession of any banned item or any item that the school deems to be unsuitable and dangerous. The school reserves the right to exclude students in extreme cases, or when students or parents have received warnings about banned items.

### HOMEWORK AND INDEPENDENT STUDY POLICY

Waddesdon values the work students do both in school and at home. Homework is seen as one of the principal ways in which student achievement can be raised. The benefits of doing homework must be instilled at an early age in all students, so that independent home study becomes routine. As we move towards end of year examinations in all subjects, this is more crucial than ever. The school uses 'Show my Homework', as a tool to support homework. Parents and students are able to access the platform via the following link:

<https://waddesdon.showmyhomework.co.uk/school/homeworks/calendar>

#### The aim of the school:

- enable students to understand that **independent learning** and **purposeful practice** are vital to achieving success;
- give every student the opportunity to fulfil their potential;
- instil in all students the importance of life-long learning;
- provide training for students in planning and organising time;
- promote a responsibility for learning within each student.

#### Frequency of Homework

As a general rule, students should expect to undertake the following amounts of work at home:

- Years 7+8 – 60 minutes per night on average (20 mins per subject)
- Year 9 – 60-90 minutes per night on average (30 mins per subject)
- Years 10+11 – 7-10 hours per week on average
- Years 12+13 – a minimum of five hours per subject, per week."

#### Students' Role

- To understand the value of independent learning skills and the link to achievement and the 'Attitude to Learning' grade on reports
- To manage their time to ensure home learning tasks are completed
- To tackle tasks promptly and with a positive attitude
- To take pride in presentation and content, acknowledging the high personal standard expected
- To be organised so that necessary books and equipment are not left at school
- To take responsibility for handing in the completed work on the agreed day

#### Communication with Home and Parent's/Carer's Role in Supporting the Students

- To provide a quiet place at home for the student to complete their homework
- To establish positive homework routines and habits
- To encourage regular reading for pleasure

- To provide encouragement and support to children when they require it, especially with research and open-ended tasks
- To be actively involved in the homework of their child/children, in particular when hearing and discussing reading
- To encourage children and praise them when homework is completed satisfactorily
- To check that quality and presentation is of an acceptable standard
- To support children with homework, but not to do it for them
- To contact the school with any concerns at the earliest opportunity

### **School support for students**

Students are offered support in a number of ways:

- Homework is communicated clearly via 'Show my Homework' so that students and parents can understand what is required
- Opportunities to complete homework at school are offered through Homework Club and the ICT facilities during the school day and after school
- Where homework is not completed by the student, the school will ensure this is done through the sanctions policy (and Period 6)

### **Summary of sanctions**

- First offence - no homework or incomplete = 'Verbal Warning' to be entered by member of staff on SIMS
- Second offence – no homework or incomplete = department break/lunchtime detention
- Persistent failure to complete homework within one curriculum area = Referral to Subject Leader/Head of Year with potential after school catch up
- Persistent failure to complete homework across the curriculum over a two week period (x3 pieces not handed in or incomplete) = entry to Period 6 after school catch up sessions
- NB: in the Sixth Form, the Stage Review process is used, which may be found in the Sixth Form Parents' Information Booklet given at Year 12 Information Evening every September.

### **Non-Examination Assessments (Coursework)**

Completion of Non-Examination Assessments remains an essential part of some qualifications. It is important that examination guidelines, including strict rules regarding plagiarism, are followed to the letter.

Failure to meet NEA deadlines may result in a student being withdrawn from an examination. Extenuating circumstances should be made known to the school in writing so that, if necessary, special considerations can be taken into account. In some cases the Examinations Board will be informed. Typically, failure to complete NEAs will be followed by an after-school detention with catch-up opportunities, a letter home and then withdrawal from the subject.

## **YEAR 7 PARAGRAPH BOOKS**

At the start of Year 7, students are given a small exercise book, labelled 'Paragraph Book'. The Paragraph Book is part of the Waddesdon School Writing Policy. Paragraph writing is an important literacy skill. It is a foundation block supporting all essay writing and is the required response for many examination questions.

Year 7 students review the principles of good paragraph writing in English and CP lessons. Five 'Paragraph Challenges', each with a different focus, are set throughout the year. All teachers of Year 7 CP support students with their Challenges and will often plan the work with the class, paying particular attention to structure and effective use of linking words and phrases. Students then complete their paragraphs as homework in their Paragraph Books; Waddesdon Points are awarded for effort and achievement in each Challenge.

The books are monitored by CP Teachers, Form Tutors and the Head of Year. At the end of Year 7 the Paragraph Books are collected and Certificates of Achievement are awarded for good work throughout the year.

## **LEARNING DIARIES**

All students are given an A4 Learning Diary. The Learning Diary is seen as an alternative to a rough book; it is not a disposable notebook. Students use the Learning Diary for a wide range of learning activities. They may use it for note-taking, for recording details of research, for mind-maps, comments from group discussions, diagrams, tests, controlled-conditions writing and reviews of learning.

## **INDEPENDENT STUDY AREAS**

The Library, Enrichment and ICT rooms are normally open to staff and students between the hours of 8.30am and 4.30pm (4.00pm on Fridays) during term-time. The Librarian will assist students with their research. The Library keeps a strong teenage fiction stock, as well as an extensive reference and non-fiction collection. A full complement of technology, computers, internet access and video presenters are available in the ICT suites. Enrichment is also a positive environment where students can work independently or with support after school.

In order for the school effectively to ensure the integrity of the 'bubbles', students will have access to the library via the library catalogue. They will be able to request books from our Librarian, Mrs Armstrong, who will deliver them to their form tutor.

## **AFTER-SCHOOL ACTIVITIES – SUSPENDED UNTIL FURTHER NOTICE**

- Students may remain behind after school provided that they have parental permission to do so.
- Before attending any after school "clubs", students MUST have a clear understanding of how they are to get home.
- Students should only remain behind after school if supervised by an adult.
- ALL students MUST be registered after school. Clubs will send their register to the Thorp Office.
- There will also be registers for the various PE fixtures/training (these will be returned to the Thorp Office as soon as students have signed in).
- Except in special circumstances e.g. sports fixtures/training, productions, visits etc., all activities should finish by 4.30pm, resulting in students being off site by 5.00pm at the latest.
- Whilst waiting for transport home, students may wait on the paved area outside the Thorp Building, in the Library, or at the school gate if advised to do so by a parent. However, in

inclement and dark conditions, the Library should be the preferred option. Students should not wait in the main visitor reception.

- If a student has not been collected by 4.50pm, they should telephone their parents for advice and clarification of transport arrangements. They must tell the Thorp Office of the outcome of this telephone conversation.
- Should any student remain on site (including waiting at the school gate) at 5.00pm, they must go to the Library, where the duty LMT member will be made aware of the situation and of the number of students involved.

## **MUSIC TUITION**

Music tuition is available to students on a wide variety of instruments, including voice, drum kit, electric guitar, bass guitar, acoustic guitar, classical guitar, piano, keyboard, saxophone, clarinet, flute, trumpet, trombone, French horn, violin, viola, cello, and double bass.

We are fortunate to have a strong working relationship with XYZ Music Academy and Bucks Music Trust (BMT), as well as several independent peripatetic teachers. Lessons take place during the school day on a rotating timetable so that students do not miss the same curriculum subject each week. Considering the Covid-19 situation, some lessons may initially be delivered through video conference calling, in line with government guidelines.

If you want to sign your child up for instrumental/vocal lessons then please email Mr Ben Judson, our Subject Leader for Performing Arts, to express your interest before the start of term and he will guide you towards the most appropriate teacher. ([bjudson@waddesdonschool.com](mailto:bjudson@waddesdonschool.com)) Places are awarded on a first come, first served basis.

Extra-curricular activities include a Funk Band, Samba Band, Junior and Senior Choirs, Worship Band, Chamber Orchestra and various other musical groups for both popular and classical music. There are also a number of opportunities to perform at events and assemblies throughout the year.

## **RELATIONSHIP, SEX AND HEALTH EDUCATION**

It is the policy of the Governing Body of Waddesdon Church of England School that Relationship, Sex and Health education forms part of a wider programme of health education, which is taught within the Personal, Social and Health Education programme. Aspects of sexual development and behaviour are taught in the context of a moral framework with an emphasis on strong and mutually supportive relationships and with regard to the values of family life. The need for self-restraint, dignity and respect for others in line with the 2010 Equalities Act and the school's Equality and Diversity Policy is emphasised to both sexes and students are taught the emotional, moral and physical risks of promiscuous behaviour.

The benefits of planned parenthood within a stable married relationship are discussed as an integral part of the course, whilst ensuring no child feels stigmatised based on their home circumstances.

All maintained secondary schools are required to provide relationship, sex & health education (including information about HIV/AIDS and other sexually transmitted diseases) to all students. Only the biological aspects of sex education are taught as part of National Curriculum Science. Parents have the right to withdraw their children, up until three school terms before their child turns 16, from any teaching of sex education with the exception of National Curriculum Science. Governors believe that relationship, sex & health education is important for all students and would expect parents to discuss any concerns with the school before seeking to exercise their right to withdraw a child.

Teaching resources are available for parents to view on request to the PSHE Coordinator who can also provide more information about the specific content of the programme. In addition opportunities will be provided for parents to see these materials at open evenings on request.

The Relationship and Sex Education Policy is available from the school on request, or can be accessed on the school website. The new DfE Statutory Guidance from September 2020 has been included in the updated policy. See attached guidance for parents:

## **SIXTH FORM**

While Sixth Form is an integral part of the school community, we hold a Year 12 Parents' Information Evening each year in early September. At this event, we give parents additional information about how the Sixth Form operates and this is e-mailed home for families who are unable to attend.

## **COMPLAINTS PROCEDURE**

The Governing Body of Waddesdon Church of England School has established a complaints procedure to deal as quickly as possible with any concerns or worries that parents may have (including complaints about the curriculum). There are three stages for handling every complaint, which are as follows:

### **Stage 1**

If you have any concerns, you should raise it directly with a member of staff. If the matter is not resolved, raise it with the Headteacher. If the complaint is about the Headteacher, please contact the Chair of Governors at the school.

### **Stage 2**

If an issue is not resolved by the Headteacher, please write to the Chair of Governors, at the school, care of the Clerk to the Governing Body (clerk@waddesdonschool.com). Your concern will be investigated and the outcome reported to you in writing.

### **Stage 3**

If you are still unhappy, you may write to the Clerk of the Governing Body at the school and request that the Governors investigate your complaint. A small panel from the Governing Body will look into the matter and you will be involved. The panel will decide whether or not to uphold your complaint. Any decision is binding on the Headteacher and Chair of Governors.

### **Finally**

If you remain dissatisfied about a curriculum issue you can take your concerns to the Director for Children's Services at Buckinghamshire Council. Non-curricular and religious education matters can be raised with the Diocesan Director of Education. The Secretary of State for Education and Employment, Sanctuary Buildings, Great Smith Street, Westminster, London SW1 3BT, may also adjudicate on complaints raised by parents.

## SCHOOL UNIFORM

**We place great emphasis on the appearance of our students and uniform is an integral part of the custom and character of the school.**

In Years 7-11 blazers and skirts from the school supplier 'Stevensons' are compulsory.

As a safety precaution, necessary when moving around the school, shoes must have backs to them, no training shoes, and no boots, and no heels higher than two inches. Please do not wear stiletto-heeled shoes, as they damage floors and carpets.

Students have a responsibility to dress smartly and sensibly. The school's dress code is constantly monitored during the course of the year. Thus parents must be satisfied that any garments purchased for school conform to the uniform that has been negotiated and agreed.

Extreme hairstyles, including sculptured haircuts, and obviously dyed hair, features such as razored eyebrows, any facial and tongue piercing, jewellery, acrylic and/or painted nails are not permitted. Please remember: NO earrings, only discreet plain studs; one stud per ear (ear lobe only) is the maximum allowed. (To allow time for healing, we advise that ears should not be pierced during term-time). Only subtle use of make-up is permissible. Boys should be clean-shaven. Tattoos are strictly forbidden.

Girls' skirts should be business-like and in line with the practicalities of everyday life. In order to facilitate this, we expect that girls wear the black monogrammed school skirt (from Stevensons). No other skirts are allowed. We ask that parents do not modify the skirt by shortening the hemline. In school, skirts must be worn correctly. Skirts should sit on the waist and should not be rolled or tied up in any way. Our expectation is that students not only wear school uniform but look smart when they are doing so. Blazers should be worn at all times around the school site.

There is no compulsory outdoor dress. Coats and jackets should be smart. Denim jackets, tracksuit tops and jackets with large logos and hoods are not acceptable. Outdoor dress, including scarves, should not be worn inside the school building.

**NOTE:** Full school uniform should be worn both to and from school.

## **SIXTH FORM: BUSINESS DRESS**

As a member of the Waddesdon Sixth Form, you are expected to maintain a high standard of personal presentation by observing the Sixth Form Dress Code. For young men, this means wearing a suit with a shirt and tie. For young women, this means wearing a suit jacket, with a smart dress, trousers or skirt. Skirts and dresses must be an appropriate length and style for school as deemed by the Head of Sixth Form. Young men may grow facial hair as long as it is kept neatly trimmed and students who have a nose piercing may wear a small, plain silver or gold stud.

For clarity, the following are not allowed: jeans; leggings; jeggings; trainers or trainer-like footwear; denim or leather skirts; strappy dresses or tops; long-sleeved or short-sleeved T-shirts; sweatshirts; hoodies. Hair must be a natural colour.

There are clear guidelines for summer business wear which are communicated to parents every year before Easter

## **GAMES KIT**

**All clothing/equipment should be clearly marked with the student's name.**

**School PE kit may be ordered online at [www.stevensons.co.uk](http://www.stevensons.co.uk)**

School's Health and Safety requirements dictate that no sleeper-type earrings/studs (often used after initial piercing) are permitted to be worn in PE lessons and hence our advice that ears should not be pierced during term-time.

### **BOYS:**

Hooded sweatshirt (optional), rugby jersey, rugby shorts, polo shirt (available only through school supplier). Black shadow-stripe shorts, plain black games socks, shin pads, gum shield, football boots (no blades), outdoor trainers (astro, grass and tennis courts), indoor trainers (non-marking sole) and a named towel.

## **LOCKERS**

Lockers are normally available for hire via the school, although not during the period of the pandemic. A small deposit is required and returned when the key is handed in at the end of the hire period.

## **LOST PROPERTY**

It is the students' responsibility to keep their belongings with them and to ensure that they are named. Any lost property will be kept for a short period of time and then disposed of.

## **MOBILE PHONE POLICY/SMART WATCHES**

A summary of the policy is as follows:

- While we encourage students to leave their mobile phones at home, students may bring them to school, so long as they are switched off and in their bags before they enter the school site at the start of the day and remain there unless they are needed for an emergency and they have the express permission of a member of staff
- Students may switch on and use their mobile phones after Period 5 has finished and they have left the building in which their lesson during Period 5 took place
- If students are caught using their mobile phones in school without the express permission of a member of staff, we will confiscate them, in line with our current policy, which includes a two day period of confiscation for the first offence
- If students choose to bring their mobile phones to school, they do so at their own risk. Students who are concerned about the security of their phone on site should either choose to leave it at home or to hand it in to the main reception for safe keeping. It is for students and their parents to decide whether or not to insure their phone for loss, damage or theft

Sixth Form students may continue to bring their phones into school and may use them in Sixth Form areas only. They should not be seen in other areas of the school.

We would be very grateful for the full support of parents in this matter.

## **SMART WATCH POLICY**

- While we encourage students to leave smart watches at home, students may bring them to school, so long as they are only used as a watch
- If students are caught using their smart watches to read or send messages we will confiscate them in line with our current mobile phone policy, which includes a two day period of confiscation for the first offence

## ARRANGEMENTS FOR ADMINISTRATION OF MEDICINE TO STUDENTS

The school follows the Code of Practice guidelines for supporting students with medical needs, produced in co-operation with the Education Department's medical advisers and in accordance with the advice of the DfE. When a parent requests that school personnel should administer or supervise the administration of a medicine prescribed by a doctor then they are required to ensure the following:

- **A letter and signed request form (available from the school)**
- **Medication must be provided in the container prescribed by the doctor, fully labelled to indicate the name of the patient, dose and frequency of administration and the name, address and telephone number of the doctor who prescribed it**
- **Controlled Drugs are always handed to the Medical Officer by a parent/carer and not sent with students**
- **For students whose statements of special educational needs require on-going administration of medication, a revised form should be obtained as part of the annual review procedure**
- **All medication must be handed to the Medical Officer for safe storage**

### NON-PRESCRIPTION MEDICINES

Many such medicines (e.g. cough mixture, homeopathic treatments) may not need to be given in school hours. If your son/daughter is given a dose just before they come to school, then it will normally be possible to wait until they go home before the next dose is administered.

Pain-killers can be given to students after 12.30 by this gives a clear 4 hours if the student has had some before school. Paracetamol is allowed to be given but not Ibuprofen or Aspirin.

Sixth Form students are permitted to carry Pain-killers on their persons with consent from parents. Students should only bring to school sufficient quantities of any medicines that will/may be required for that day i.e. two paracetamol tablets, not the whole packet. This will ensure that pupils cannot accidentally take inappropriate quantities within a limited time period. Students should keep their medication securely on their person at all times. Students must also strictly not share medicines amongst any other students.

If a student suffers regularly from acute pain such as migraine, parents should authorise the supply of appropriate pain-killers for their son/daughter's use, with written instructions about when the medication should be taken (other than paracetamol these must be prescribed by a Doctor). A member of the first-aid staff is required to supervise the student taking the medication.

Parents' attention should be drawn to the paragraph on the Parental Consent Forms for school visits regarding paracetamol: If students require paracetamol on a school visit, staff will only administer this if parents have read and confirmed on the Parental Consent Form that their child has had paracetamol administered in the past without adverse effect.

All medication for school visits must be handed to the Medical Officer prior to the visit for safe storage, complete with the necessary paperwork.

## TRANSPORT

The vast majority of students travel to school by bus. At Waddesdon we place a great deal of emphasis on safety and expect our students to act in a sensible and disciplined way on their journeys to and from school. Any students travelling by bicycle should inform the school office.

Due to there being a limited number of parking spaces available in the school, Year 13 students need to observe the following procedure before bringing a vehicle onto the school premises:

- Complete the Car Parking Permit Form (available from the Sixth Form office) which must be signed by a parent/guardian and countersigned by the Head of Sixth Form
- Display clearly the parking permit they will be issued with when their car is parked on school premises
- Students must inform the office if they change their vehicle and a revised permit will be issued
- Students are expected to drive with all due care and attention on the school premises and around the village. Failure to do so may result in permission to park in the school being withdrawn
- Students should obtain parents' permission before travelling in a car being driven by another student.

### BUS PASSES

In the case of loss, application for a replacement bus pass should be made in writing to Client Transport, County Hall, Aylesbury HP20 1YZ. A five-day Emergency User Ticket can be issued by the school in the meantime.

### SCHOOL BUSES AND COACHES

Coaches are sometimes delayed by inclement weather. Decisions on how long to wait for a bus are a matter of sensible discretion, but certainly half an hour is not unreasonable. Staying at home is not an option. **Please also see the note about attendance in the Behaviour Policy.** Enquiries about buses are best made to the appropriate company.

Motts Travel	01296 398300
Red Rose	01296 747926
TWK	01296 630402

In the event of exceptionally bad weather, as Waddesdon is a rural school serving many isolated villages, if buses are unable to travel safely then they will not run, in which case students are advised to remain at home. As far as transport safety is concerned, this is a matter for the Police and the bus companies, from whom the school takes advice.

**School Lane and its approach roads are very congested after school. Parents are strongly advised to keep their cars well away, dropping or picking up passengers at some distance from the school. All traffic, except buses, is prohibited from School Lane between the hours of 1500 and 1530 and there will be no entrance or exit from school during this period.**

## EMERGENCY PROCEDURES

### Parents:

If any emergency occurs during the day, please telephone the school. The telephones are manned from 8.30am until 4.45pm Monday to Thursday and 8.30am until 4.00pm on a Friday, during term time.

### SCHOOL CLOSURE

- (a) There may be occasions, usually because of severe weather conditions, when it is necessary to close the school. When this happens the following radio stations will broadcast messages:

**Parents should first check the school website [www.waddesdonschool.com](http://www.waddesdonschool.com) which will be regularly updated.**

	<u>Frequency</u>
Fox FM Radio	102.6 FM or 97.4 FM
Chiltern Radio	97.6 FM or 828 AM
Horizon Radio	103.3 FM/VHF
Mix 96	96.2 FM
Three Counties Radio	630 Medium wave or 103.8 FM

It may be that some students arrive at school when it has been closed. Every care will be taken to see that they are returned home quickly and safely.

- (b) Sometimes it is necessary to close the school early, again usually because of a sudden deterioration in the prevailing weather. Before taking such a decision, the Local Education Authority and the Police are consulted.

In such circumstances, regretfully, it will not be possible to inform parents individually by telephone of the decision. It is absolutely essential, therefore, that all students have easy access to a place of safety if they return home early. Please discuss this with your son or daughter so that you come to a suitable arrangement.

## EDUCATIONAL VISITS

Through the Governing Body, Waddesdon Church of England School has formally adopted the Buckinghamshire 'Requirements and guidance for off-site visits and related activities' linking to National Guidance and Evolve 2020/21. Further procedures which reflect good practice have also been agreed with the school's Governing Body and a full copy of the County Policy and Procedures is available on the school website.

### **Aims and Purpose of Educational Visits**

Waddesdon Church of England School is fully committed to the benefits of learning beyond the statutory school day and away from the school premises.

Each year the school arranges a number of activities which take place off the school site and/or out of school hours. These expeditions are valuable and support the wider aims of the school's educational programme. The typical range of activities is outlined below. The school requires parental consent for students to take part in these activities and some ventures require that specific entry criteria are met.

The school's Governing Body has given its approval for the following types of activities to be organised in support of the educational aims of the school:

- Local visits: Waddesdon Manor, The Waddesdon Parish Church, various local businesses
- Day visits for particular year groups: theatre visits, field study visits, theme parks
- Residential visits
- Overseas visits
- Adventure outdoor pursuits: skiing, Duke of Edinburgh Award Scheme

All visits are designed and organised around educational objectives and enhance and enrich learning or pastoral needs. The school operates an open access policy for students but some visits may be organised for a specific year group only.

Students are informed of visits via a number of communication channels which operate in school. In all cases parents are informed of visits by letter directed from Subject Leaders, Form Tutors or club or society organisers. Initial announcements are often made through school assemblies, year group gatherings, form registers, school noticeboards or informally through club organisers. Students should stay tuned to these announcements – as many opportunities are on offer throughout the school year!

A letter to parents informing them of details concerning a school visit forms part of the approval procedure adopted from the Local Authority Visits Policy. The letter will outline the purpose of the visit, the type of activity, the level of staffing, the cost, if any, including voluntary contributions, and emergency telephone contacts (for visits that fall wholly or partly outside school office hours). However, a letter will not be sent to parents for after-school sports fixtures; instead, a fixture/practice schedule will be issued at the start of term.

## **Approval Procedure and Consent**

An Educational Visits Co-ordinator (EVC) has been nominated by the Headteacher and approved by the Governing Body. A Governor has also been nominated, to have oversight of Visits. The Curriculum and Student Wellbeing Committee, is charged with consideration and approval of educational visits and other offsite activities.

Before a visit is advertised to parents the Headteacher, Governors and the EVC must approve the initial plan. They will also approve the completed plan and risk assessments for the visit at a later date.

Where external contractors are involved in organising all or part of the visit, the contract will be made with the school on behalf of the students. All payments for the visit will be made through the school's accounts.

For out of hours clubs, school teams and local visits, parents will be asked to sign a general letter of consent for participation in these activities when their son/daughter enters the school. Any cancellations will be notified by letter or telephone.

For any visit lasting a day or more, parents will be asked to give consent for their son/daughter to take part.

As part of the parents' consent they will be fully informed of the activities and arrangements for the visit. For all foreign residential visits, parents will be invited to a briefing meeting where they can ask for clarification of any aspect of the itinerary or organisation of the visit.

The school has separate policies for 'Charging and Remissions' and 'Diversity' which apply to all educational visits.

## **Staffing**

The school recognises the key role played by accompanying staff in ensuring the highest standards of learning, safety and introduction of educational challenges on a school visit.

Teachers and support staff are trained to develop their abilities in organising and managing students' learning in a variety of environments. The selection of staff for educational visits is a key priority in the initial approval of any proposed visit.

Where it is appropriate, the school will ensure that Disclosure and Barring Service (DBS) screening is available for volunteer adults assisting with educational activities and visits.

The school does not support additional people accompanying educational visits who are not students at the school or part of the agreed staff complement. This may result in family members being prevented from accompanying visits if the Governing Body is not satisfied that there is an educational benefit for the students.

The appointed Group Leader will be fully supported in the tasks required to arrange the visit. This will include allocating time or finances available to conduct an exploratory visit if necessary, briefing teachers and other staff, accessing training courses, reviewing and evaluating the visit or identifying time when the Leader and EVC might work in partnership to undertake planning and risk assessments.

## The Expectations of Students and Parents

The school has a clear code of conduct for school visits based on the school's Behaviour Policy. Acceptance of the school's Behaviour Policy is a prerequisite for parents and forms part of the initial booking conditions. We must be confident that parents accept the parameters laid down by the school policy; students may be withdrawn prior to and during a school visit should their conduct breach the codes laid down by the school policy. Some students may be excluded temporarily from school should their behaviour warrant this action; in such a case, full reimbursement of the cost of a visit would be made where possible. However, where the third party contractors (e.g. travel companies) are involved, this exclusion may mean the loss of all or part of any monies previously paid. By electing to join an educational visit, students are indicating that they will abide by the expectations set out by the Visit Organiser/Leader.

If a student fails to meet the school Code of Conduct during the visit then the student will be sent home. The care of the rest of the group will be considered to be equally important as the safe return of the excluded student. Any costs incurred for the visit, e.g. theatre tickets, transport, etc., may not be reimbursed. Parents will be required to collect their child from the school, transport terminus or from the visit centre, depending on the supervisory cover available. In some circumstances the parent of the excluded student must take responsibility for the safe return of that student.

Whilst children are under their supervision, staff have a legal responsibility or 'Duty of Care' to ensure no harm (physical or psychological) comes to those under their care. It is for this reason that it is not possible to drop off any student en route while returning from a trip, no matter what the circumstances. The finishing point of a trip will be back on school premises and at the time indicated by the letter or by the communication route detailed above. Parents are required to collect their children from the school premises and at the designated time.

## Emergency Procedures

The school will appoint two members of the Leadership and Management Team as the emergency school contact for each visit. All major incidents should immediately be relayed to this person, especially those involving injury, or events that might attract media attention. The number of the school mobile phone will be shared with parents.

The Group Leader will leave full details of all students and accompanying adults on the visit with the emergency school contact, including the home contact details of parents/guardians and next of kin, as appropriate.

- The school has a Grave Emergency Procedure, of which any Group Leader will be aware.
- All incidents and accidents occurring on a visit will be reported back through the school systems.
- The school will have emergency funding available to support the Group Leader in an emergency.

## INSURANCE

The school's journey insurance and onsite cover policy provides for official school visits approved by the Governing Body. **The policy provides for compensation in the event of accidental bodily injury; medical and other expenses (for journeys outside the UK); loss or theft of personal property and money; cancellation or curtailment; personal liability. Full details are available on request from the school Finance Office.**
