

ENRICHMENT AT WADDSDON

Vision: To ensure that all students, whatever their starting point or specific educational needs, flourish at Waddesdon and achieve outstanding progress in all subjects, in particular English and Maths.

The Learning Support Department at Waddesdon is referred to as the 'Enrichment Department'. We support a wide range of students at many levels, including Sixth Formers. Many of our students are gifted in some area and have exceptional talents. In a school where all students are valued equally, it seems inappropriate to refer to a significant minority as 'Special'. We refer to our students as having 'Additional Educational Needs'.

The staff and governors of the school believe that every student has an entitlement to develop their full potential. Educational experiences are provided which develop students' achievements and recognise their individuality. Diversity is valued as a rich resource, which supports the learning of all. In this school, we recognise a child's right to a broad, balanced, relevant and challenging curriculum, which is appropriate to their individual abilities, talents and personal qualities.

Special Educational Needs Profile

Due to our reputation for inclusion and excellent pastoral care, the number of students in receipt of an EHCP has increased significantly at Waddesdon in recent years. Currently, SEN comprises 16% of the student population, with 6.4% of students holding an EHCP.

The department currently consists of a SENDCO and Assistant SENDCO and 23 Learning Support Assistants. In addition, specialist teachers and members of the school's teaching staff work closely to provide the best

support for our students. This has been further enhanced by the appointment of a Higher Level Teaching Assistant in Literacy.

Year	EHCP/ Statements	SEN Support	Total SEND
7	13	15	28
8	19	21	40
9	9	21	30
10	13	20	33
11	10	14	24
12	0	6	6
13	3	3	6
Total	67	100	167

Aims

The school's aims are complemented by the following: -

- Helping students to develop their personalities, skills and abilities
- Providing appropriate teaching, which makes learning challenging and enjoyable
- Providing equality of educational opportunity

d) Ensuring all students make outstanding progress.

Objectives

- Ensure compliance with government SEND policy and work closely with the LEA.
- Ensure all staff implement the school's SEND policy consistently.
- Ensure any discrimination or prejudice is eradicated.
- Identify barriers to learning and provide appropriate support to meet a diversity of needs.
- Focus relentlessly on achieving ambitious levels of progress.
- Ensure all students have access to an appropriately differentiated curriculum.
- Recognise, value and celebrate students' achievements at all levels.
- Work in partnership with parents / carers in supporting their child's education.
- Guide and support all school staff, governors and parents in SEND issues.
- Meet the individual needs of all students irrespective of whether they have physical, sensory, emotional, behavioural, specific or general learning needs.
- Provide appropriate resources, both human and material, and to ensure their maximum and proper use.
- Involve students in the process of identification, assessment and provision,

ensuring their wishes are taken into account as part of the process and of the shared responsibility in meeting all educational needs.

Specialist Provision

The Enrichment Department is located in the Thorp Building and is equipped with two 'pods', predominantly used for small group teaching of literacy and numeracy. Both are equipped with an LED interactive touch screen display. In addition there are 15 networked computers for individuals or groups of students.

There is a particular link to the Maths and English Departments, ensuring continuity between learning in lessons, consolidation in Enrichment and personalised intervention at the point of need.

Lessons in the Enrichment Department are focused and objective-led. An additional ICT suite is staffed after school for Homework Club until 4.20pm. Homework Club is staffed by LSAs who assist students requiring help with planning or doing homework assignments.

The school works closely with the local authority. SEN students regularly attend the "Shout Out for SEND" meetings and annual conference. It gives Waddesdon and its students the voice to help develop Buckinghamshire's SEND strategy. We hope to continue to develop this partnership over the coming years.
