

12th July 2021

Dear Year 11 Students

We hope you and your families are keeping well. Before the summer holidays, we wanted to let you know the arrangements for the collection of your GCSE Results as well as Year 12 Enrolment, if you have applied to Waddesdon Sixth Form.

GCSE Results Day: Thursday 12th August from 9am to 11am

School will be open from 9am for you to collect your results, so if you need support from us, we will be there to help you. You will collect your results from the Hall.

Covid Regulations

Depending on national restrictions at the time, you may need to form a socially distanced queue to wait to go into the hall and wear a face mask. We will advise you about this on arrival.

If results are not collected on Results' Day and we don't hear from you, we will send your results home to you by first class post.

Results and Careers Clinics

Staff will be on hand to help you in school on Results' Day. Should you need any impartial careers support, you will be able to book appointments on Results' Day with Mrs Bridges by telephone or through the school office. Mr Jones and the Exams Team will also be available to discuss any queries about your results in the Hall. We have attached details about the appeals process as outlined by ASCL, our professional body.

Year 12 Enrolment from 9am to 2.30pm

In place of the cancelled Foundation Days, we have made a short film to welcome Year 12 into Sixth Form, which you can find on the Sixth Form tab of the school website:

<https://www.waddesdonschool.com/year12-foundation-and-post16-passport/>

We are delighted so many of you have found the Post 16 Passport useful as an insight into our Sixth Form ethos and study. You can also find the Passport on the school website link above, with the film.

On GCSE Results' Day, you will find a slip in your results' envelope to confirm that you have met the entry requirements for Sixth Form. You then need to enrol in Sixth Form in person on GCSE Results' Day, which confirms you want to take up your place as well as your A level subject choices. There is a short enrolment form for you to complete in school or at home should you prefer.

To avoid excessive waiting, we will stagger enrolment as follows:

Student surnames A-M: from 9am to 10.30am

Student surnames N-Z: from 10.30am to 12 noon

If you cannot make the times above, please arrive anytime from 12.30-1pm.

If the queue is very busy, you may want to come back later in the day when it will be quieter; please be reassured that the time you attend does not affect your place on subject courses, as this is based on meeting entry requirements and not on a first-come first-served basis. If a subject is oversubscribed, there is information in your conditional offer letter how we establish places in the class, but this is a rare occurrence.

Teachers will be on hand to help you complete the paperwork and sign you up for your subjects. Please be sure to bring your one-page subject learning summaries from the Post 16 Passport to Enrolment and then to your first A level lesson. If you haven't met a subject's entry requirements, you will need to wait until the first day of term to talk to the Subject Leader about a place on the course, when class numbers are finalised.

Ms Mclver will be in the library should you have missed the entry requirements for Sixth Form and wish to discuss your application ahead of the Governors' Admissions Panel the following morning; a parent/carer is welcome to attend with you. If you cannot enrol in Sixth Form in person on Results' Day, please contact Ms Mclver via office@waddesdonschool.com before the summer break. If you do not enrol in Sixth Form on Results' Day, we will assume you do not want to take your application further and your place will be offered to another student.

If you have any questions before the summer break, please get in contact via the school office. We are very much looking forward to seeing you in school on Results' Day and welcoming many of you into Sixth Form. We hope you and your family have a restful summer break. Our very best wishes for your GCSE results.

Yours sincerely

Mr Dipple
Head of Year 11
