

12th July 2021

Dear Year 13 Students

We hope you and your families are keeping well. Ahead of the summer break, we wanted to let you know about the arrangements for the collection of your A level results as well as inviting you all back into school for our A level Certificate Evening in January.

A level Results Day: Tuesday 10th August from 9am to 11am

School will be open from 9am for you to collect your results, so if you need support from us, we will be there to help you. You will collect your results from the Hall.

Covid Regulations

Depending on national restrictions at the time, you may need to form a socially distanced queue to wait to go into the hall and wear a face mask. We will advise you about this on arrival.

If results are not collected on Results' Day and we don't hear from you, we will send your results home to you by first class post.

Results and Careers Clinics

Staff will be on hand to help you in school on Results' Day as well as the following day. Should you need any UCAS or careers support, you will be able to book appointments with Mrs Bridges or one of us, either in person or by telephone through the school office, on Results' Day itself or the following day. Mr Jones and the Exams Team will also be available to discuss any queries about your results. If you need any careers support before the summer, please do not hesitate to get in contact.

Appeals Process

Please see the attached letter from our professional body, ASCL, for details of the appeals process should you wish to refer to it.

UCAS Track, Clearing and Adjustment

For those of you who have applied to university, UCAS Track will have details of your confirmed university place from early morning on Results' Day and we strongly recommend you check this as soon as possible that morning. Although we anticipate few students will need to use UCAS Clearing, it is a very good idea to watch the following clip in advance: <https://www.ucas.com/undergraduate/results-confirmation-and-clearing/what-clearing>. Some years, UCAS Clearing is very busy and if needed, the earlier you access it, the more chance of success you have; course vacancies are advertised from 5th July.

Please also remember that if you do better in your A levels than expected, you can also use UCAS Adjustment to hold your original place for 5 days, should you wish to look for other degree courses through Clearing. Again, we strongly recommend you watch this in advance: <https://www.ucas.com/ucas/undergraduate/apply-and-track/results/ucas-adjustment-if-youve-done-better-expected>

A level Presentation Evening: Thursday 6th January 2022

National regulations permitting, we are very much looking forward to then welcoming you all back into school on the evening of 6th January, to award your A level certificates and celebrate your results as a year group. We will send you your official invitation and full details nearer the time to confirm the arrangements. You will be able to collect your coursework from school after this event.

We are very much looking forward to seeing many of you in school again in the summer. If you have any questions or we can help before then, as always, please don't hesitate to get in contact.

In the meantime, take good care and our very best wishes for your results.

Yours sincerely

Ms McIver
Head of Sixth Form

Miss Aldridge
Head of Year 13
