

WNTR Vision

Vision Statement:

To Educate, Inform, Support and be an Ally for all regardless of race, ethnicity, background or environment.

Aim:

Educate: each other, both student and staff in understanding and celebrating our differences, inclusive of race, ethnicity, culture, religion, background, or environment.

Inform: create a learning environment where shared experiences are listened to, enabling a greater understanding on the topic of race, ethnicity, equality and inclusivity.

Support: provide support to the Waddesdon school community in managing issues of race and ethnicity; utilising appropriate resources & tools for both staff and students alike.

Allyship: Engage and empower the Waddesdon community to be an 'Ally' equality and inclusivity regardless of individual background, simply because, it is the 'right thing to do' in showing we care.
