Dear Parents and Carers,

In order to support families and encourage greater attendance at our extra-curricular clubs, we will again be offering a free late bus service, commencing every Wednesday with effect from 5<sup>th</sup> October.

There will be two buses running, following the routes outlined below:

**Route 1:** Westcott, Ashendon, Upper Winchendon, Quanton (The Green), Pitchcott, Oving (Bowling Alley), North Marston (Pilgrim PH), Whitchurch (on request), Hardwick (on request)

**Route 2:** Kingswood, Grendon Underwood (all stops if required), Springhill (prison), Edgcott, Calvert (Green), Charndon (on request), Marsh Gibbon The Plough (on request), Ludgershall Village Hall (on request)

The buses will return to their depots in Aylesbury and so the bus company (Motts) have also indicated that they would be happy to drop students to a central point in Aylesbury, if required. Both buses will leave school at 4.35pm, with the longest journey time taking approximately 45 minutes.

Students planning to use the late bus service will be asked to sign up, every Wednesday morning, as they arrive at school. The sign-up sheet will be located outside Mr Sturla's office, next to the library.

If uptake is too low, then we will not be able to continue the service due to the cost incurred by the school. Please note, however, that if uptake is too high, we will prioritise places on the buses for students in receipt of the pupil premium.

Yours sincerely,

Mr Sturla  
Assistant Headteacher (Pastoral/DSL)
