Dear Parents/Carers

CAREERS FAIR – Thursday 9th February 2023, 6-9pm.

As part of our focus on delivering excellent, impartial careers education, advice and guidance, we have organised a Careers Fair at school which will take place on Thursday 9th February from 6-9 pm.

Local and national employers, universities, colleges, Gap Year companies and apprenticeship providers have been invited into school to take part in this event and will set up stalls in the school hall and Library, as well as bringing in promotional information to give to interested students and their families. A list of confirmed participants is included on the back of this letter and we are expecting more to confirm before the event.

The Careers Fair will be open to students in all year groups with their parents and is designed to provide information and advice about the different opportunities that are available to students once they leave school. The professionals involved will be able to give students and parents invaluable information, advice and guidance from their first-hand experience in their organisations and from their different fields and professions. Students and parents will be able to walk around the fair at leisure, focusing on the areas that are of most interest.

It is important now more than ever for students to be proactive in gaining an understanding about possible future careers and progression routes, in order to make informed choices about their futures and decide on the most appropriate pathway to follow through school in order to realise their aspirations. Even if your child is not at a transition/options point in Year 8, Year 11 or Year 13, we would still recommend attending.

If you would like to attend this event with your child, please complete the link - <https://forms.office.com/e/n1u1DS2v1R> by 9am on Wednesday 8th February.

We are very grateful to all of our guests, who are attending voluntarily, and we look forward to welcoming you to the Careers Fair.

Yours sincerely
