

September 2023

Dear Parent/Carer

## Year 7 Activity Days

As we are approaching our scheduled Year 7 Activity Days on Monday 2<sup>nd</sup> October and Tuesday 3<sup>rd</sup> October, I thought it would be helpful to provide you with some additional information.

We are excited about the engaging activities planned for our students, and we need your cooperation to ensure that it is a successful and enjoyable experience for everyone. Please see below an outline of important details for the two days.

### Monday 2<sup>nd</sup> October

- Students should arrive in their PE Kit.
- Activities will be held outside on the school field all day. Considering the chilly autumn weather, please ensure your child brings warm clothing to remain comfortable.
- Although it is an activity-filled day, it will fit in with the usual school timings, so students will still be able to purchase lunch from our restaurant.

### Tuesday 3<sup>rd</sup> October

- On this day, students have the flexibility to wear their own clothes. Please however, keep in mind the nature of the outdoor activities, making sure they are dressed comfortably and appropriately.
- They will be spending their day outside, so dressing according to the weather is crucial.
- Unlike Monday, **students will need to bring a packed lunch on Tuesday**. Those who are in receipt of a free school meal will be provided with a packed lunch if they have requested one for school visits.

Both activity days will stick to regular school timings, so pick-ups and drop-offs remain unchanged.

These activity days are crafted with the intent to offer our students a chance to build good relationships with their peers, while allowing them to develop their communication, resilience and teamwork. We are confident it will be a delightful two days for them.

Thank you for your continuous support.

Warm regards,

Anika Popat  
Head of Year 7
