

November 2023

Dear Parent/Carer

## **Quantum Theatre Performance: "A Christmas Carol", Monday 18th December 2023**

The English Department has invited the Quantum Theatre Group to give a performance of 'A Christmas Carol' for our Year 7 students to support their study of this classic text. This will be an enriching opportunity for students to understand the literature of Charles Dickens and enjoy a unique telling of the story they have been studying this term.

Quantum is an educational theatre group which has been touring curriculum-based plays for 30 years. They specialise in adaptations of classic literature which are appropriate for school age children.

The performance will take place during Period 1 on Monday 18th December in the school hall. Parents and guardians are invited to make a payment of £7.00 to cover the cost of the performance. We do not wish to exclude any student from the performance. However, without this financial support from parents, the performance may have to be cancelled. If you are concerned about the cost, please contact us and we can direct you to agencies that may be able to support you. Payment should be made through your ParentPay account by Monday 11<sup>th</sup> December.

If you require any further information, please do not hesitate to contact me at school.

Yours sincerely

**Miss Sarah Caswell**

Student Achievement Manager for English
