

WADDESDON CHURCH OF ENGLAND SCHOOL

FREEDOM OF INFORMATION ACT STATEMENT

STATUS OF POLICY:	Statutory Policy
BASED ON LA PROCEDURE DATED:	-
COMMITTEE RESPONSIBLE:	Finance and Property
GOVERNING BODY APPROVAL:	21 November 2023
REVIEW DATE:	October 2026

The school will comply with:

The terms of the Freedom of Information Act 2000, and any subsequent relevant legislation, to ensure all information held by the school is treated in a manner that is fair and lawful. Information and guidance is displayed on the Information Commissioner's website <https://ico.org.uk/>

This policy should be read in conjunction with the school's **Internet Use Policy** and **Data Protection Policy**.

Data Gathering and Storage

Information will only be gathered and stored for specified purposes. In order to be able to respond to requests for information the school will implement effective record management policies to enable staff to identify whether data is held and, if it is, locate it quickly and easily.

Information held by the school will be regularly reviewed with a view to archiving or destruction, where appropriate.

Publication Scheme

The school will adopt and publish the appropriate model publication scheme, as recommended by the DFE, Information Commissioner, and approved by school governors.

Dealing with Requests for Information

Theoretically any request for information is a request under the Freedom of Information Act, however the school has taken the decision that it will not consider any request that forms part of the normal pattern of work to be a Freedom of Information request. Only those requests which are considered to be outside the normal remit of the service will be recorded as Freedom of Information requests.

The school will assist applicants in making their request to have access to information held by the school. Assistance will be given to applicants whose requests need to be transferred to another public authority (e.g. school, LA, hospital).

- The school will exercise its duty to confirm or deny the existence of requested data, subject to any exemptions that may apply.

- The school will supply data requested within 20 working days (or in line with the Information Commissioner's current policy during school holidays), subject to any exemptions that may apply, and the estimated cost of complying with the request falling within the current defined charge limit.
- All requests for information will be dealt with in compliance with the 20-day deadline, whether they are recorded as Freedom of Information requests or not.
- If a response will take longer than 10 working days an acknowledgement will be sent to the person making the request, informing them when the information will be supplied. This acknowledgement will not allow the school to exceed the overall 20-day deadline.
- The charge limit is currently £450, calculated at 18 hours work at a flat rate of £25 per hour, as set by the Department for Constitutional Affairs. If the estimated cost of complying with the request does not exceed this amount the school is not entitled to make a charge for fulfilling the request.
- The Headteacher will be responsible for ensuring requests are fulfilled within the stipulated deadline and recording details of the request on the school's tracking database.
- Persons requesting data will be supplied with a copy of our complaints procedure.
- Copies of data supplied will be retained for two years from the date it was put into the public domain.

Applying Exemptions

The school will use the list of exemptions which can be found on the Information Commissioner's website. There are two types of exemption – absolute and qualified. In practice there are very few exemptions which are likely to be applied by the school.

The decision to apply absolute or qualified exemptions will not be taken by individual members of staff but will be made by a constituted group of at least three of the following: Chair of Governors, other governors, Headteacher, Principal Officer. Even if the group decides information should not be disclosed, a public interest test will be carried out when applying qualified exemptions, to decide whether the public interest in disclosure outweighs the objection to disclosure. If it does the information will be disclosed.

Legal advice will be sought if there is any doubt as to whether information should be disclosed.

Logging Requests Received

The school will keep a record of all requests received for monitoring purposes, noting:

- the date the request was received
- name and contact details of the person or organisation making the request
- the date the request was fulfilled or refused
- the reason for any exemption being applied
- the reason for any failure to meet the 20-day deadline

This policy will be included on the staff intranet.

Appendix 1

Waddesdon Church of England School's Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools and academies, should be clear and proactive about the information they will make public. To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child

- help every child develop the skills, knowledge and personal qualities needed for life and work and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as ‘classes’. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus

Governors’ Documents – information published in the Governors Annual Report and in other governing body documents

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum

School Policies and other information related to the school - information about policies that relate to the school in general.

Some information might be confidential or otherwise exempt from the publication by law – we cannot therefore publish this.

4. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, or letter. Contact details are set out below or you can visit our website at: www.waddesdonschool.com

If the information you’re looking for is not available via the scheme and is not on our website, you can still contact the school to ask if we have it.

5. Paying for information

Information published on our website is free, although you may incur costs from your internet service provider. If you do not have internet access, you can access our website using a local library or an internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications, we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
