

Dear Parent/Guardian,

Every year the Art Department has a large range of artwork in storage due to the number of students taking the subjects. We are now in a position to return last year's GCSE Art, Graphics and Photography work.

There are 3 options for collecting your son or daughter's work. Please select one of the following then email schapman@waddesdonschool.com indicating your choice, along with the required details.

OPTION 1: From the Main Reception during the school day

Email or call to confirm a date and time for collecting from the school reception area during the school day before the end of term on Wednesday 20th December. (Reception is open 8am-4pm on Mondays and 8am-5pm on Tues-Thurs and 8am-3:30pm on Fridays)

OPTION 2: Via a sibling currently attending Waddesdon School

Please give the name of the sibling, their form and if there is a preferred day of the week on which the work should be passed to them.

OPTION 3: At the GCSE Presentation Evening to be held on Tuesday 9th January

Let us know that you are attending the event so that arrangements can be made for the work to be transferred to the library on the day

Please note that storage space is always at a premium, especially as the current students build up their body of work. Therefore, any uncollected work will be disposed of at the end of January.

The Art Department is immensely proud of the work produced and the wide range of pathways students move onto after GCSE. We love to stay in touch with our creative students to hear about their creative journeys and potentially add them to the Alumni page on the [Waddesdon Creatives website](http://WaddesdonCreatives.com). If your son or daughter has continued their creative studies at college and would consider staying in touch with us to help support and inspire our current (and future) students, please fill out our contact form using the following link<https://forms.office.com/e/vehSBBbc79>

We love to display pieces around the school and use work as an exemplar for our current students. We will be in touch separately with a number of students to request holding onto some of their work a little while longer.

If you have any questions or concerns about collecting work, please do not hesitate to get in touch.

Kind Regards,

Sarah Davis (Subject Leader Art & Design) and
Suzanne Chapman (Creative Technician)
