

July 2025

Dear Parent/Carer

GCSE GRAPHICS EQUIPMENT

I am writing to you regarding your son/daughter's GCSE option in Graphics/Digital Art. The subject, by its nature, includes practical home study. With this in mind, we ask that students are equipped with a basic Graphics kit of essential items.

Most of these items can be obtained from art suppliers, or you can order our **Essential Graphics Kit** through the school shop at a substantially lower price than is generally available to the public.

Essential Graphics Kit - £7.25

- x2 A4 display books
- A5 dot-grid sketchbook
- x1 Edding black fineliner pen

The Essential Graphics Kit should be ordered from our [school shop](#) by Friday 8 August. The items will be handed out to students as soon as possible in the new term. Additional A4 display folders, sketchbooks and fineliner pens are available for purchase from the [school shop](#) throughout the school year as required.

Throughout the course students will be asked to print out and exhibit their best outcomes. We have specialist Canon photo printers in school available for the students to achieve a high-quality print for which they will be charged 25p/50p/£1 depending on paper size (this covers the cost of both the paper and printer inks). We recommend keeping your son/daughter's printer credit account topped up to enable them to print when required.

If you have any questions, please email Mrs Cooper in the finance office by Friday 8 August at lcooper1@waddesdonschool.com

Yours faithfully

Kirsten Adams
