

8th September 2025

Dear Parent/Carer

How to help your child become a successful student

As you have probably seen in the school diary, we are holding an information evening for Year 7 parents and carers on Tuesday 16th September from 6.00pm – 7.00pm.

When you arrive, you will be directed to the school Hall. We ask all parents/carers to sign in so that we have a list of everyone on site and a record of attendance.

This evening is an early opportunity for you, as parents, to explore ways in which you can support the education of your child at home. The evening will feature a couple of short presentations which will focus on how to promote successful learning. We will be issuing a Key Stage 3 Curriculum Booklet and providing you with ways to support your son/daughter on their transition into secondary school.

Parents and carers play a vital role in the success of their child's education. An effective partnership between school and parents is a crucial element in enabling our pupils to achieve high standards. We believe that this evening can give you a clearer understanding of our educational goals and help you contribute further to your child's future attainment.

You will be receiving an invitation to create a Sims online account by the end of this week. It is important that you register for this as soon as possible. Once you have registered you can access the account via browser or download the App. Mr Purchase, the school IT Manager, will be available on the evening from 5pm until 6pm to assist with any issues you may have with creating your Sims online account.

We hope that our new Year 7 students have enjoyed their start at Waddesdon School, and we look forward to seeing you at this information evening. We encourage you to bring your child, who should be in full school uniform if they attend.

Yours sincerely,

Mr Israr
Head of Year 7

Mr C Cahill
Deputy Headteacher
