Are you passionate about supporting science education and making a real difference in a vibrant school community? Waddesdon CofE School, is looking for a dedicated Science Technician to join our successful and welcoming team from Easter 2026.

- We **value** *relationships*—between staff, students, and the wider community—as the heart of our school. Here, your role will be vital in enabling high-quality practical science experiences that inspire and empower our young people.
- We **offer** a supportive, inclusive environment where diversity of race, gender, and religion is celebrated, this is a term-time only opportunity, with part-time hours considered for the right candidate.
- We are **looking** for someone with enthusiasm for supporting practical science work and a commitment to fostering positive relationships and teamwork. A-level Chemistry (or equivalent) desirable but not essential.

Waddesdon School is an oversubscribed all ability 11-18 school, set in rural Buckinghamshire. The school is 30 minutes away from Oxford and within easy commuting distance from Milton Keynes. There are just over 1000 students on roll, including 300 in the Sixth Form. The school has an excellent reputation for CPD and recognises and values the contributions of all staff.

There are realistic expectations regarding balancing family and leisure time and workload. Governors have recently changed the Admissions Policy to include children of staff members.

We encourage you to contact the school for a phone conversation and to discuss your interest in the post. The description of the department, the OfSTED and SIAMS reports, and our termly newsletter, *Waddesdon Voice*, will give you a flavour of the culture and ethos of our school and the department. Testimonials from our staff about the culture and ethos of our school can be found on our website in our 'Working at Waddesdon' section. Join us in shaping the future by supporting science education that makes a difference!
