

March 2026

Dear Parents/Carers

CAREERS FAIR – Wednesday 25th March 2026, 6-9pm.

As part of our focus on delivering excellent, impartial careers education, advice and guidance, we have organised a Careers Fair at school which will take place on Wednesday 25th March from 6 - 9pm.

Local and national employers, universities, colleges, Gap Year companies and apprenticeship providers have been invited into school to take part in this event and will set up stalls in the school hall and Library, as well as bringing in promotional information to give to interested students and their families. A list of confirmed participants is included on the back of this letter, and we are expecting more to confirm before the event.

The Careers Fair will be open to students in all year groups with their parents and is designed to provide information and advice about the different opportunities that are available to students once they leave school. The professionals involved will be able to give students and parents invaluable information, advice and guidance from their first-hand experience in their organisations and from their different fields and professions. Students and parents will be able to walk around the fair at leisure, focusing on the areas that are of most interest.

It is important for students to be proactive in gaining an understanding about possible future careers and progression routes, so that they can make informed choices about their futures, decide on the most appropriate pathway for them and to realise their aspirations. Even if your child is not at a transition/options point in Year 8, Year 11 or Year 13, we would still recommend attending.

We are very grateful to all our guests, who are attending voluntarily, and we look forward to welcoming you to the Careers Fair.

Yours sincerely

Miss Bridges
Pathways Coordinator

Miss McIver
Head of Sixth Form

Careers Fair Wednesday 25 March 2026
