- Do you want to work somewhere you can make a difference?
- Are you a knowledgeable IT professional looking for career advancement, or a new role?
- Do you want to work in a people-facing organisation?

We are a forward-thinking school seeking an experienced and innovative IT Systems and Network Manager to lead our digital infrastructure, cybersecurity and IT support services. Managing a small team (IT Technician and Reprographics Manager), you will play a pivotal role in shaping the school's digital strategy and ensuring our systems are secure, resilient and future-ready.

We are a happy and friendly school where people are seen, valued and supported, so that they can flourish in their roles. You will work closely with the senior leadership team and receive appropriate support and development opportunities as part of our commitment to you.

This is an exciting opportunity for a proactive, solutions-focused professional who thrives on responsibility and who wants to make a measurable impact on teaching, learning and operational excellence.

We look forward to welcoming your application in joining the Waddesdon family.

For further information on the school, please visit www.waddesdonschool.com

We would be delighted to meet you and to show you the school prior to you making an application

Closing date for applications: Monday, 29th June at 9am

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The post is subject to an enhanced DBS check, and employment will be conditional upon completion of satisfactory pre-appointment checks.

Only applications on the appropriate Waddesdon CE School application form, and showing full employment history, will be considered. Applicants are invited to view the school's Safeguarding & Child Protection Policy via this link
